

CollisionLink® is an **all- makes** parts procurement solution with parts programs from participating dealers.

Automaker parts programs offer dealer incentives, which allow shops to receive highly-competitive pricing when select OEM parts are used instead of non-OEM parts.

Participating Dealers: GM, Ford, FCA*, Honda, Acura, Nissan, Infiniti, Toyota**, VW, Mazda, Volvo, Subaru, Hyundai and Mercedes-Benz.

CollisionLink is a dealer sponsored program allowing shops to use CollisionLink at no cost to order OE parts from their preferred dealers.

*Includes Chrysler, Jeep, Dodge, Ram
**Available in FL, GA, AL, NC & SC

Start using more OE collision parts today to improve the cycle time, accuracy and protect profits on every repair.
