

Drive capacity, efficiency, and profitability for dealership service departments.

Complete service support package allowing the dealership to manage the full customer journey, from taking online customer bookings and quoting, to vehicle quality checks.

With manually authored menus and flexible API integration, manufacturers achieve the best results with their aftersales.

OEC provides a one-stop shop to satisfy all your needs. Enhance productivity and profitability with our flexible and powerful dealer services tools, and expand your customer base and part sales.

Key features

-  Brand loyalty
-  Customer satisfaction
-  Increased profit through OE part sales
-  Single source of truth OEM data

oeconn.info_service

“Customers are offered a full suite of service pricing and can book online 24 hours a day, 7 days a week at a time that suits them. It is so easy for both customers and staff.”

Brian B.
Aftersales Development Manager,
Mercedes-Benz – Inchape
