

# VISION

The industry leader in OEM parts procurement and distribution.

**Connected. Competitive. Innovative.**

VISION is a digital sales channel that provides innovative connections between OEMs, crash repairers and insurers to promote **Total Loss Avoidance** and the seamless and cohesive sale **of only genuine OEM parts.**

## OEM & Authorised Repairer Benefits

### **Borderline Total Loss?**

VISION identifies vehicles that are close to being written off & automatically helps to save them

### **Increase Part Sales**

VISION only promotes the sale of genuine parts, never green or recycled parts

### **Builds Relationships**

VISION encourages a closer relationship between the OEM and authorised repairers

### **In Depth Market Intelligence**

VISION provides insights such as lost sales, total loss vehicles and price elasticity

### **Reduces Workflow**

VISION can verify part numbers & provide accurate quotes freeing up time, freeing up time

# VISION

## The VISION Process

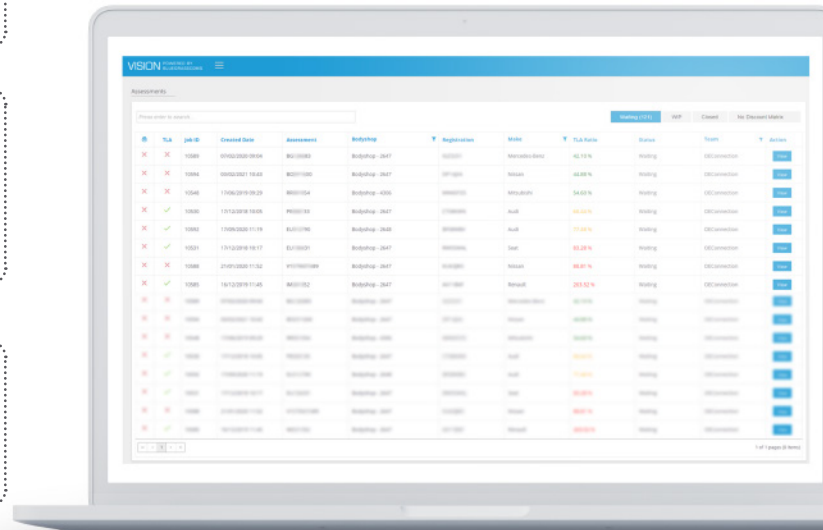

## Benefits for Bodyshops

- Save borderline cars with VISION's Total Loss Avoidance initiative
- Get only genuine parts from 19+ OEMs at competitive prices
- Receive a quote within 15 minutes
- VISION is completely **free of charge** for bodyshops and authorised repairers

## Competitive Parts Pricing

Using OEM present parameters, VISION allows OEMs to offer enhanced discounts on a part-by-part basis when they are a threat from aftermarket, green and imported parts.

## Product Benefits
